

Finding Your Campfire

A Virtual Workshop For Remote Teams

By Julian Stodd

Finding Your Campfire

A Virtual Workshop For Remote Teams

By Julian Stodd

A one day expedition into the wilderness of remote working'.
'A shared journey for pioneering teams that explores
the core skills for individuals and leaders

Packing Your Backpack

is our individual journey

- Creating your space
- Time and boundaries
- Energy and Momentum
- Caring for each other

Leading The Expedition

is about leading remotely

- Leading Beyond the System
- Social Currencies: Gratitude and Doubt
- Creating the Space
- Social Capital
- Recognition and Respect

Being Together Apart

is about teams, & shared stories

- Membership and Belonging
- Rituals and Artefacts
- Sense Making and Shared Storytelling
- Trust and Being Together Apart
